We don't just ski!

President's Message

by Kevin Reigstad

I hear the 11th Annual Ski Expo Extravaganza at the McIntyre Ski Area was a great success, and I missed it (sorry, out of country on a summer-extending Caribbean cruise, soaking up the sun). It's now obvious, McIntyre turned out to be the perfect venue, helping us get excited for New England skiing, boarding, and simply getting outside. Thanks to the mountain reps for donating lift tickets to the raffle, and a big thank you goes out to Ryan Leach and Pat Sheridan of Fischer Sports for donating the pair of Fischer skis to the raffle. There were many happy attendees!

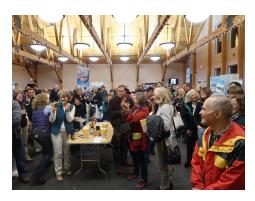

In my message last month, I said the mountain reps come to this Expo to earn your business. We want to support those mountains and stores. Over the last two months, our Jeff Lavoie has checked in with all your local mountains to find their advertised and unadvertised corporate and club member discounts and special offers. We know

you love deals! The Club's Board of Directors is developing the best methods to tell you about these deals and where you can find them. In November, we sent out a Meetup announcement with Jeff's findings, so far. We're now looking into maintaining an online calendar with day-specific ski/snowboard deals posted, including the information on the NHSkiClub.org website, and also planning to put reminders in the Newsletter. We'll include tune-up and shop discounts that we know about too. A Club membership is exceptionally beneficial. Carry your card, be cordial and appreciative when you ask what the discount is before you pay.

As I write this, I've already seen many of you enjoying early season skiing at Loon, Cannon, Okemo and Killington. Our New England resorts have spent millions of dollars in 2017 (and several years before) to put in additional snowmaking equipment to create skiable snow before Mother Nature gets into top-gear. In past years, I've poo-pooed this early season skiing believing they're wasting good lift tickets on a handful of runs, wearing themselves out too early, to vacate the slopes in March and April when all the trails are still snow covered. But, I stand corrected, at least after seeing our members out there having a blast making top to bottom runs...I know these members will ski and board until the last days. I plan on joining them this weekend [2 December] at Cannon. I don't want to miss this much fun! We don't just ski (or board, or snowshoe, or fatbike) in January, February and March.

11th Annual NH Ski Club Expo Extravaganza by Victor Snowdon

Our 11th Annual Ski Expo was held in lieu of last month's regular meeting at the McIntyre Ski Area pavilion. For those who were unable to attend we are sorry you missed it. The venue was changed because the Back Yard with the new facility configuration could no longer accommodate our event.

Based on the completed raffle ticket count we had 146 attendees who participated in the raffle plus board members and probably another 20 other attendees. Ninety five percent of attendees were

club members. There were also a few prior members including John and Susan Bartley plus two other of former members from back in the 90's.

We had 17 vendor participants who supported us. For those who did not attend that included NH Mountains Attitash/Wildcat, Cannon, Loon, Waterville and Pat's Peak Bolton Valley and Smugglers from Vermont and Mt Orford from Eastern Townships (CD). Supporting vendors included S & W sports, Zimmerman's, Trey Toons and Silkscreen Graphics and Central Mass Ski Group. For the fourth year in a row Ken Jones opted to not attend despite face to face commitment to be there.

About half the many ski coupons provided by the various mountains and shops were raffled to those who completed the raffled coupons. There were also a couple of special raffle prizes provided. Bolton Valley had a separate raffle with a nice prize of some special spirits. But the highlight of the raffle was a pair of Fischer skis that were won by Corey Gerard.

A special thank you to Ryan Leach Marketing Manager and Pat Sheridan Operations Manager at Fischer Ski who provided the skis based on a request by Terry Sanders WZID/The Mill 96.5.

The 50/50 raffle which is always a significant prize at the Expo was won by Brett Angione, and he did not arrive until later in the evening.

In closing I would like to especially thank Linda Lombardo for her assistance in organizing this year's event. In particular Lynda's effort in identifying McIntyre Ski Area and obtaining their commitment to provide the venue. I would also like to thank other board members, Bill Driscoll and Jeff Sanders who handed out raffle tickets and guided attendees on what to do with the tickets. I also want to thank Jonathan Crowell and Jennifer Stitt for greeting attendees and selling the raffle tickets. Also thanks to Troy Schwotzer acting as MC for the raffle and Don Eaton for providing some of the pens used to complete the raffle forms. And thanks to anyone else who I may have overlooked.

A big thank you to all who attended. We hope everyone enjoyed themselves.

Finally it is hard to believe it has been 11 years since we began holding the Expo. Thanks to Jeff Lavoie for coming up with the concept in lieu of having individual mountains and vendors attend and present at monthly meetings. It has been a successful alternative to arranging the individual monthly visits. I have been the primary organizer of the Expo for all those years. But I believe it is time to step down and allow someone else step up and run the Expo going forward.

The Harpoon Brewery Sky Box room is our private room all day to change and leave your gear, with sofas, gas fireplace, TV, and private bathroom (even has a shower). They have hot beverages and small snacks all morning for your break, and in the afternoon a private bar with special reduced pricing. It's a beautiful room, and adjacent to the summit quad chair. (http://www.waterville.com/corporate-programs-skybox/)

The last few years we've filled the room, and overflowed into the adjacent area. The Sky Box holds about 35, so first checks get priority to put their bags/jackets in the room. I will accept more than 35 attendees. With everyone's varying arrival, skiing and departure schedules, people flowed in and out of the room for snacks, lunch and après. I expect Waterville's hospitality will exceed your expectations!

Room opens at 7:30am, and I'll be there at 7:30 to welcome you and hand out lift tickets. Lifts open at 8am.

See Meetup to RSVP, and you can also find my mailing address there to send me your check made out to the NH Ski Club, or better yet, come to the December and January meetings and hand me your check in person. Don't miss out!

A Little Skiing Humor

Exercises to Get You Prepared For the Upcoming Ski Season

- 1. Visit your local butcher and pay \$30 to sit in the walk-in freezer for half an hour. Afterwards, burn two \$100 dollar bills to warm up.
- 2. Soak your gloves and store them in the freezer after every use.
- 3. Find the nearest ice rink and walk across the ice 20 times in your ski boots carrying two pairs of skis, boot bag and poles. Pretend you are looking for your car. Sporadically drop things.
- 4. Place a small but angular pebble in your shoes, line them with crushed ice, and then tighten a C-clamp around your toes.

- 5. Buy a new pair of gloves and immediately throw one away.
- 6. Go to McDonald's and insist on paying \$25 for a hamburger. Be sure you are in the longest line.
- 7. Clip a lift ticket to your zipper of your jacket and ride a motorcycle fast enough to make the ticket lacerate your face.
- 8. Fill a blender with ice, hit the pulse button and let the spray blast your face. Leave the ice on your face until it melts. Let it drip into your clothes.
- 9. Dress up in as many clothes as you can and then proceed to take them off because you have to go to the bathroom.
- 10. Repeat all of the above every Saturday and Sunday until it's time for the real thing!
