Vol.19, Issue 4 December 2021

*We don't just ski!*

### President's Message

by Kevin Reigstad

The New England skies are trying to snow, I can feel it, so the snow guns are putting down the early season base. It's a time of transition. I'm a summer hiker and a winter skier, so what to do now? Break out the winter hiking gear. What's the right gear? All of it. And be in sync with your hiking partner. My plan was Champney Falls – Bolles Chocorua loop, but a side stop at Middle Sister (a 52 With a View checkoff) made peaking Mount Chocorua take longer than I expected. I made the decision to press on as AllTrails' red line made my loop appear to be a well-used trail. Sloshing through miles of angle deep leaves, losing and regaining the "trail", crossing and recrossing a brook tested my navigation apps and our strength. And it was ironic to see the stream I twice dunked my [summer] boots sliding off icy rocks at the start of this hike was just over a stone throw from the car. So early, so sad. This weekend, we trekked up Sandwich Mountain Trail to Jennings Peak and Sandwich Dome. It was a bit colder so hopefully I was a bit wiser. How did

everyone else get across a faster, deeper Drakes Brook without sliding off the icy rocks dunking their boots? Hard to imagine they did. We were wiser, but it took some bushwhacking. I never look forward to the hike down, but in winter hiking it can be a thrill. With my Hillsound Trail crampons on, I clomped down the trail like I was king of Sandwich Mountain. No fear.

We've gotten comfortable meeting, for years, at The Backyard Brewery (previously called The Yard). As The Backyard Brewery, the food and beer improved dramatically. Compliments to the chef and the brew master. Others saw this too. With the popularity of Wednesday night trivia, the Brewery squeezed your pre-meeting dinner with friends and there was not enough parking. And the room rate doubled. With this, the Board of Directors decided to hold the 7 December (yes, Tuesday) general meeting at Chunky's Cinema Pub in Manchester. A big deal. Hopefully a simple, maybe permanent transition. It'll be an adventure.

### Important Notice

The December meeting date has changed to Tuesday December 7. It will be on Zoom and the physical location has been moved to [Chunky's Cinema Pub](#) in Manchester. See below for more info.

## News and Events

---

**New Location for the NHSC Monthly Meeting! Tuesday, December 7**  
**Chunky's Cinema Pub 707 Huse Road Manchester, NH Temporarily Tuesday, not**  
**Wednesday, due to December availability. Arrive 5:00-5:30 pm for dinner. Social Hour**  
**6:00pm NHSC Meeting begins at 7:00pm**

There once was a junkyard in Londonderry on the Manchester border. The Yard Restaurant was built and years later transformed into The Backyard Brewery. The Backyard Brewery continues to grow with many entertainment activities, especially Trivia Night on Wednesdays. It's time, after many good years at this location for us to find a new venue. A search committee has found Chunky's Cinema Pub to work for us.

**Where to go:** As you enter the foyer, the ticket counter greets as you enter the door. ALL members and guests must check in at the ticket counter upon arrival. You will receive a ticket stating Theatre #1. This gives Chunky's an accurate headcount which is needed. Going right, you come to the spacious bar. The bar has sit around seating and high top tables. The bar has a good beer, wine and signature cocktail menu with a Pub Burger Sandwich. [Appetizer Menu](#)

**Theatre #1 + Restrooms:** Take a left at the ticket counter to enter the main corridor to all Theatres. Theatre #1 is the 1st right, just after the restrooms.

**Ordering Food in Theater:** There are QR codes on the tables in the theater. Those of you who know how to do so, can order food & beverages and pay via your cell phones, from their table! Members and guests may also obtain a menu and red blinky light, at the ticket counter. To get the wait staff's attention, activate the blinking red lights by pushing the button. If running a tab, make sure you know your table location # so the wait staff can continue to work with you.

**[Please register here for the meeting and indicate if you will be eating dinner at Chunky's.](#)**

This registration will assist Chunky's in providing adequate waitstaff. Help us out here, Please.

The **raffle** will be fantastic: We will have five (5) \$100.00 Boyne Resort Gift Cards, and gift cards for Ken Jones, S&W Sports, and the Common Man. We are limiting the \$100.00 Gift Cards to 1 Per Person for the season. You must be in-person or on Zoom to win. Invite your acquaintances, friends and coworkers who are thinking about joining this fantastic outdoor adventure group. Our meetings are open to the public. Don't forget to bring a toy for the toy drive.

## McIntyre Ski Area in Manchester \* Corporate Race League

### 6 NHSC Teams have been registered for the 2022 Season

Tuesday night race league is for 6 weeks - tentative dates include: January 11th, 18th, 25th, Feb 1st, 8th, and 15th. Each week you will get the chance to race two times. Weekly awards will be given for the best of your two timed runs. The course will be open after everyone has raced for fun runs. After racing has concluded a buffet dinner is served inside the lodge and the bar will be open! End of season overall awards banquet on March 15th, 2022.

There will be an information night in the Fall of 2021. McIntyre will announce the date soon to all racers. The bar will be open and light apps will be offered. Nancy KC coordinated with team captains to register 6 teams of 7 racers for the club.

*Individual sign ups are still available for \$120.00 on the McIntyre website:*

<https://www.mcintyreskiarea.com/race-league/>

*Individuals will be assigned to a team by McIntyre. All racers must be 21+.*

Race League is NASTAR\* affiliated. \*NASTAR registration required.

## **Gunstock Ski Racing**

### **Gunstock Ski Racing Changes:**

- If you are still interested and have not contacted me, I need the following information from you before December 1<sup>st</sup>:
  - Name, Email address, birthdate and NASTAR ID.
- Racing starts on Thursday, January 6<sup>th</sup> and goes for 8 weeks. There will be a 9<sup>th</sup> race which is called a ski off. Assuming we start on time and don't miss any weeks, it will end on March 3<sup>rd</sup>.
- The cost is \$150 which you will pay online once the captain sends you the link. This cost pays for your pass to be used from 3-8 PM on Thursdays and your bib.
- There will be appetizers and a cash bar in the new Stockade restaurant.
- Please email Kathy Jacobs, [kjhall91513@comcast.net](mailto:kjhall91513@comcast.net) if you are interested. We have one team filled and the possibility of setting up another team.

## **Pat's Peak Racing**

We're looking to continue a long tradition of racing on Thursday nights at Pats Peak and we have room if anyone would like to join us for some racing, good food and adult beverages but we're mostly racing to get out midweek and have fun. Although there are some serious racers on various teams which are fun to watch, don't be intimidated as there is no previous racing experience required as we are there to have fun and not get hurt. Here are the details;

**When/Where:** Thursday nights starting January 6<sup>th</sup> at Pats Peak with 7 weeks of racing. After 7 weeks there is a playoff for the top 5 teams from every night and we can ski that night even if we don't make the playoffs.

**Time:** Your race pass will allow you to start skiing at 3 PM and racing starts at 7 PM so if you get there early you can get a lot of runs in before you race. We're usually finished by 8 PM and head inside for some food, drinks and camaraderie.

**Teams:** Teams comprise between 5 and 7 racers with the top 5 scores on a given night counted so you're not penalized if you have 7 racers and someone can't make it. There are two racers at a time but you're racing against the clock not the other racer so focus on yourself. You switch courses for your second run and they take your best run to score which is all done in a NASTAR format.

**Cost:** The cost is \$700 per team so with a full team that works out to be \$12.50 a night to race if you go all 8 nights. Not bad in this day of \$200+ lift tickets popping up around the country!

Although we have many racers returning from last year we can add some more so if you're interested send me an email with your information including name, address, birthday, mobile number and what you will be racing on (skis, snowboard or tele skis- NASTAR gives some additional handicap points if you're a boarder or tele skier) and we'll get you signed up!

## **Cannon Mountain - 2021/2022 Season**

Although opening day is a bit delayed, Cannon Mountain currently plans to start spinning the lifts on December 3rd! First, a heads up, if you want to purchase a NH Resident Season Pass at the discounted rate of \$629, you must do it on or before December 14, 2021 at 11:59pm, or the price increases to \$839. Next, last season was like no other given COVID-19, but things are looking up for this season. Always check the Cannon "Know before you Go" web page, but here are some of the key items of note:

Booting up in the Peabody lodge is permitted, and to maximize space, all bags must be brought back to your car or there's a bag check for \$3/day on the ground floor level. Lifts will be loaded at full capacity with the suggestion that you ride with those in your travel group or household.

Face coverings over mouth and nose are highly encouraged both indoors and outdoors when 6' social distancing is not possible.

Lift tickets will be available online in advance for \$89 until 11:59pm the day before, and if not sold out, at ticket windows the day of for \$99.

All dining options are open including the Peabody food court, Cannonball Pub, Cafe 4080 at the Tram Summit Lodge, etc. Cafe 4080 will be operating at half capacity due to their water conservation efforts.

Unfortunately, Cannon will not be offering their discount programs this season, so no discount lift tickets. That doesn't mean we can't continue our NHSC Cannon Day near the end of season... just sayin'. Maybe April 2nd? Stay tuned and have fun out there everyone! THINK SNOW!! -Ann McLaughlin
