

## THE NH SKI CLUB NEWSLETTER

Vol. 20, Issue 4 December 2022

*We don't just ski!*

### President's Message

by Kevin Reigstad

It's not too late to check our physical fitness. Last month I suggested a gear check. Skiing the East requires sharp edges driven by personal endurance, strength, and agility to take on changing trail conditions ... packed powder becomes figure skating rinks. How do you prepare for the season: air squats, yoga, strength training, HIIT, CrossFit, or skiing followed by more skiing? It probably takes a mix of everything. Our New England peaks pound us, sapping our strength, and we take pride in being masochists at times. It's not just the big mountains on our Colorado and Montana trips in February and March. Let's keep moving. Thumbs up.

I was very thankful this Thanksgiving. Patty has been great, work paid for my skiing, and for my first time ever I got out to ski before Thanksgiving. I posted on the NH Ski Club Facebook Message Board I was going, and ta-da, I joined 5 other club members at Okemo. It was Okemo's 2<sup>nd</sup> day, and it was stripes of artificial snow surrounded by brown grass. We had mid-winter conditions on 3 runs, 3 lifts, quick to slick in the middle and a blast on the trail's edges. Merry Christmas and Happy New Year. I'm looking forward to 2023!

Are you interested in becoming or continuing to be a leader of the NH Ski Club, contributing your personal time and passion to ensure the club remains strong? We will be holding our bi-annually required (by our bylaws) Board of Directors election next February and March (2023). February nominations followed by elections in March. The new board term starts on 1 June 2023. Thank you for putting your faith in me for the last 5-plus years. However, I'm not seeking a 4<sup>th</sup> term for President. I've had fun, and I believe together we've maintained a great vibe in our Club, a place for you to meet your friends, make new friends, to gather, and get outside together. All 8 board positions are up in this election: President, Vice President, Treasurer, Secretary, and four At-Large members. Please consider raising your hand to volunteer. If you have any questions on board member roles and responsibilities, please connect with me or any other board member.

## Pat's Peak Racing

**Jim Eilenberger**

We're looking to continue a long tradition of racing on Thursday nights at Pats Peak and we have room if anyone would like to join us for some racing, good food and adult beverages but we're mostly racing to get out midweek and have fun. Although there are some serious racers on various teams which are fun to watch, don't be intimidated as there is no previous racing experience required as we are there to have fun and not get hurt.

Here are the details:

When/Where: Thursday nights starting January 5th at Pats Peak with 7 weeks of racing. After 7 weeks there is a playoff for the top 5 teams from every night and we can ski that night even if we don't make the playoffs.

Time: Your race pass will allow you to start skiing at 3 PM and racing starts at 7 PM so if you get there early you can get a lot of runs in before you race. We're usually finished by 8 PM and head inside for some food, drinks and camaraderie.

Teams: Teams are composed of between 5 and 7 racers with the top 5 scores on a given night counted so you're not penalized if you have 7 racers and someone can't make it. There are two racers at a time but you're racing against the clock not the other racer so focus on yourself. You switch courses for your second run and they take your best run to score which is all done in a NASTAR format.

Cost: The cost is \$700 per team so with a full team that works out to be \$12.50 a night to race if you go all 8 nights. Not bad in this era of \$200+ lift tickets popping up around the country! Although we have many racers returning from last year we can add some more so if you're interested send me an email with your information including name, address, birthday, mobile number and what you will be racing on (skis, snowboard or tele skis- NASTAR gives some additional handicap points if you're a boarder or tele-skier) and we'll get you signed up! THINK SNOW!

## 16th Annual Jay Peak Ski Trip 2023 (5 days, 5 nights)

When: 22 Jan 2023 17:00, EST

Trip Leader: Janelle DeNormandie

The Jay Peak trip has 36 members signed up and is looking for one female to join a Timberline condo. We have until Dec 15th to add a Timberline condo with 2 individuals and a couple (or two people willing to sleep with each other as it has a split king in one room and a queen in the other, plus a queen pull out couch if necessary), or depending on availability by the resort another Timberline condo with similar sleeping arrangements, or either a single or double occupancy hotel room. 50% deposits were already due so new joining members will need to pay the full amount, and pre registered members need to pay any remaining balances by 12/2/22.

I've attached a discount code below for rentals and group lessons - I'm unsure if it's just for the members going on the trip or for anyone in the club; might help entice some members to join the trip maybe?

I'll be creating a WhatsApp account for members to reach out to their hotel/condomates to plan meals/rides for the trip, keep in contact during the trip, and to share photos on; I'll send out details on that, and more details about the trip, before Christmas.

Please let me know if you have any questions.

Thank you!
