We don't just ski!

President's Message

by Jill Dinsmore

Hello New Hampshire Ski Club and hello holidays! The first day of winter is not here but I know there is snow in the mountains and skiing has started. I have seen photos posted from the early starters from Killington and Okemo! Where's your go-to place at the start of the season? Do you ski over the holidays? I have some extra time this year, so I plan to be out there. Tell me where to meet you!

This past month I attended the ski club's outing to the Palace Theater to attend the Warren Miller film, "All Time". It was a first for me and I can't tell you how much I enjoyed the experience. I loved how it moved through time and how it showed the evolution of the sport, the equipment and the clothing. I think for my first Warren Miller film, it was fun to see how and why his movies got started. I loved the amazement and excitement I felt while watching. The feeling of wishing I was there and the anticipation of finally getting there. The crash scenes were spectacular and I

hoped everyone walked away in one piece. As many times as I have gone down, I wondered if some of my crashes have looked that dramatic. Of course, being from Kentucky, the scene that resonated with me was the one of the horse racing. I never would have put the two together but why not? The excitement you get from watching the fastest two minutes in horse racing and the excitement you get speeding down the mountain are quite similar. I especially enjoyed all the après ski scenes, those were very relatable! The main thing I came away with is that people are amazing. The feats and adventures we will undertake for fun and thrills are incredible. We might be trying them at different skill levels but that excitement is the same.

As I head into the holidays, the excitement is building. I look forward to returning from my travels and hitting the slopes. I can't wait to hit the trails and be convinced I haven't forgotten how to ski. Maybe I will even remember some of the new things I tried last season and have a few less memorable crashes. I look forward to seeing you out there! Cheers to good times! JD

Vice President Aaron Fracht-Monroe Presents Preve Pride Awards

Nancy KC

The Preve Pride Award is named after NH Ski Club's founder Ken Preve. The award is given to ski club members who have selflessly contributed extra time and effort by going above and beyond in support of the club's activities and growth. On November 8, 2023, the New Hampshire Ski Club Preve Pride Award, which was designed with respect and remembrance of Ken Preve, was presented to Deborah Schelzel and Kevin Reigstad in recognition for their outstanding contributions as volunteers to our NHSC family.

Kevin Reigstad joined the NHSC on December 31, 2009. He has served on the NHSC BOD as President from 2017-2023. He was a responsible president and kept us together through a pandemic. The overall club's good standing and management is being passed forward due to his efforts. He has been diligent in attending functions

and supporting club activities. Kevin is deserving to be recognized for his contributions.

Deborah Schelzel joined the NHSC on October 21, 2003. She has been a member in good standing for 20 consecutive years. In her first decade of being a member, Debby was active in attending Monthly Meetings, a participant on day and weekend ski trips, biking activities and kayak day trips. Within the last decade 2013-2023, Debby has taken a more active role as our BOD Secretary from 2013-2016, biking and kayaking day trip organizer/leader, ski trip leader for day, weekend and week ski trips, Schussbomb and Slushbomb organizer, and host for the August deck

gatherings. She is an ambassador for our club, always welcoming, giving encouragement and connecting with many new and longstanding members.

We, the members of the NHSC, recognize Kevin Reigstad and Deborah Schelzel for their contributions of extra time, effort and love for this organization by going above and beyond in support of the club's activities and growth in presenting them with the Preve Pride Award.

NHSC Supports Kristen's Gift Charity for the 26th Year

Nancy KC

On Sunday, November 12th our members gathered at the Palace Theatre again to celebrate and watch the 74 th Warren Miller Film, "All Time". It was a fun filled afternoon with fellow ski club members while supporting a great cause, Kristen's Gift on behalf of Children's Hospital at Dartmouth (CHaD).

The presenter, Michael Martin is shown on stage giving recognition to the New Hampshire Ski Club as a 26/27 year event sponsor. A 26 year sponsor at the movie + an additional year during Covid when there wasn't a movie gathering. The NHSC BOD on behalf of our members, has also received a personal thank you note from Michael and the *Mary Hitchcock Memorial Hospital fundraisers* on behalf of Children's Hospital at Dartmouth(CHaD), Norris Cotton Cancer Center, and Friends of the Norris Cotton Cancer Center. NHSC made a \$1,250 donation this year. Along with your admission ticket purchases, we have again supported Kristen's Gift Endowment Fund for Pediatric Oncology. Additional donations for raffle gifts by members is also

greatly appreciated. We even had a few winners.

Snowbound Ski Expo

Several club members went to the Snowbound Ski Expo in Boston and got to "helmet up" for a photo shoot.

Club members got to meet and hear about the adventures of extreme skier Dan Eagan.

Waterville Valley NASTAR Racing

Patricia Hoyt

Here is more information about the Monday (daytime NASTAR racing) at Waterville Valley. Our goal is to have fun with friendly competition. There are two ways to sign up for a team. We usually sign up as recreational. As a team, your experience determines the level. If you have raced before you should let me know.

Level A - Competitive Top 3 Females and the Top 3 Males Plus the top 3 Teams place

Level B - Recreational Top 3 Teams Place

FAQs

1. **Who can race?** The 8 or 9 week Race Series is open to everyone, alpine skiers, free skiers, telemarks, recreational skiers and snowboarders.
2. **When do we start?** January 22-March 25 (No Racing on Monday holidays or MA. vacation week. NH vacation week? I will send a schedule when WV posts it.
3. **How much does it cost racers to ski at Waterville on Monday Race Day?** Cost is \$20 for a lift ticket for the day.
4. **What does it cost for the race program?** NASTAR fee, après ski appetizers plus a free raffle ticket comes to \$60 plus/minus. Last year cost \$56.
5. **When and where do we do après ski?** Après ski party at 4pm every Monday, location is determined each week. The **banquet** is usually held at the Coyote Grille and a dinner, raffle and awards take place at the end of the season. Date and sign-up will be two weeks before the final races. The last two races are very important, try not to miss them. We usually always take two runs even if it's a single GS course.
6. **How many racers to a team?** 7 Racers to a team (I will make 2 to 3 teams if enough people sign up to participate.)
7. **How do the scorers determine the score of the racers?** The best 5 of the 7 racers for the day will score points for their team. 7 Racers are encouraged to race each week. A male and female needs to score for each race or only four racers' scores will be counted. All racers compete against everyone. Every racer receives a handicap according to age and speed. The pace setter sets the speed of the course. Each race, racers try to improve their own race time. Everyone is very encouraging.
8. **How many runs do we take?** Everyone takes 2 Runs. One run on the green course and one run on the orange course. The best run of the two is counted.
9. **When can we race?** You can race anytime between 11:30-2:00 pm. Just show up at the starting gate the day of the race.
10. **When does the timer start?** Give the starter your NASTAR ID # and the starter will tell you when to go. Once you ski through the wand it triggers the start of the digital timer.
11. **Are we allowed to race through the course for practice?** No one is allowed to do this. You can study the course before going down it.
12. **How can I get my results for the race?** Once you finish your run, listen to your results below the finish area and try to beat that score on your next run.

13. **Why is it important to watch the pace runner go through the course?** It is important so that you can see if he or she had any difficulties with the course. Also note how they go through the end gates and make sure you go through them the correct way or your run could be disqualified DQ and your score won't count.
14. **What happens if I miss a gate?** You can either climb back and go through it or you will be DQ'D. If your ski comes off due to a fall you are DQ'D also. If you miss the last gate or go through the wrong way you are DQ for that run. Better luck next time.
15. **When should I pay?** Once I sign up the team with my credit card everyone sends their check to me or can pay me through Venmo.
16. **Who gets to race first after the pace setter?** Anyone 70 or older races first. Everyone else lines up after them.
17. **How long are we allowed to ski for if I bought a \$20.00 ticket?** When you get your ticket for the day you can ski as early as when the lifts open to as late as when the lifts close for \$20.00.
18. **Can I get a refund if I decide I don't want to do it?** No. All sales are final.

If you have a question please ask. If you are still interested in racing after reading all of this Information then I will need a bit more information about you. **Please email me back the following only if you have decided to race on the team.** I need your phone number, DOB, racer type (alpine, snowboarder telemark, etc., and whether you need a lift ticket.

Did you already register for free with NASTAR? If so, what is your ID#. If you haven't I will let you know when to do so.

Thanks everyone! Tish tishoyt77@gmail.com 603-381-4698

I hope you will consider joining. We really have a great time! Everyone is helpful in giving tips on how to improve your own score.

Adult/Corporate Racing at Pat's Peak

Jim Eilenberger

Starting in January, Pat's Peak sets up two giant slalom courses four nights a week (Monday through Thursday night) that brings out a whole bunch of teams to compete for bragging rights but mostly just to have fun. The racing starts the first week of January and runs for 7 weeks and then finishes up with another week where the top five teams from each night race off for an overall Adult/Corporate winner (all teams are welcome to ski on the finals night even if not racing).

The NH Ski Club has two teams (7 racers on each team) that race on Thursday nights but if we have enough people interested we could set a third team (or you can race as an individual) so if you used to race or just want to get out and cruise through the course it's all about having fun and not getting hurt! The racing starts around 7 PM but your racing pass lets you on the slopes at 3 PM if you want to cruise the mountain for a couple of hours. The racing gives you one run on each course and you get points, based on the NASTAR scoring system, which count toward team points. When the racing is done all the teams head to the lodge to warm up, eat and enjoy an adult beverage. The cost is around \$110 for the season so if you're interested and haven't already talked to me, send an email to me at berger2ski@yahoo.com and I'll give you all the details.
