

## **NH Ski Club, Trip / Event Policies**

**June 2010**

### **Cancellation Policy**

If the event requires you to pay and you cannot make it and you request a refund, the NH Ski Club will make every reasonable attempt possible to give you a refund on trip based on the ability of the club get a refund from the resort, airlines and other factors. You should be aware that neither the club, trip leader(s) or leadership of the club are responsible for obtaining a refund for you on your behalf once you have made the deposit.

There are specific dates that the club must commit to when planning a trip. These dates are usually not flexible and therefore, a refund of a deposit is being based on the flexibility of the resort once we pass the key dates. It is imperative that you notify the trip leader as soon as you think there could be a problem. The longer you wait the more likely it is that you will lose your money.

The best thing to do if the club does not have the ability to refund your money is to find someone else to go in your place. Keep in kind that you may have to discount the trip to convince someone to go, but some money is better than losing it all. You should also be aware that if there is an airline involved there most likely will be a name charge fee by the airline. This fee can be as high as a couple hundred dollars.

A suggestion is also to have trip insurance. Your personal insurance agent should be able to get this for you or lead you in the right direction. It is usually somewhere around 10% of the trip cost.
